I understand that internet access at Cornerstone Christian College (the "College") is designed for education purposes. I also recognise that, although the College has monitoring procedures in place to restrict access to controversial and potentially offensive materials, this may sometimes be evaded by students. I also acknowledge that failure of my child to follow the guidelines set out in this document may result in disciplinary action being taken by the College. I also acknowledge that the College will provide my child with an email account served through Google. I understand that my child (Year 6-12) will be required to sign their own ICT Contract upon commencement.
